## 2021 PRINT SHOP RESIDENCIES TO BENEFIT THE MICHAEL MAZUR PRINT STUDIO

The **Fine Arts Work Center in Provincetown** is delighted to announce the reopening of its fully functional and well-equipped printmaking studio. Experienced printmakers are invited to join us. Be part of the Work Center's plan to re-open while providing a friendly and safe environment for artists. Come to Provincetown with a project in mind or explore the print medium as the spirit moves you. Our facilities were developed by **MICHAEL MAZUR**, world-renowned printmaker and painter. While no instruction will be offered during this time, the studio will be monitored and maintained for the duration of your stay.

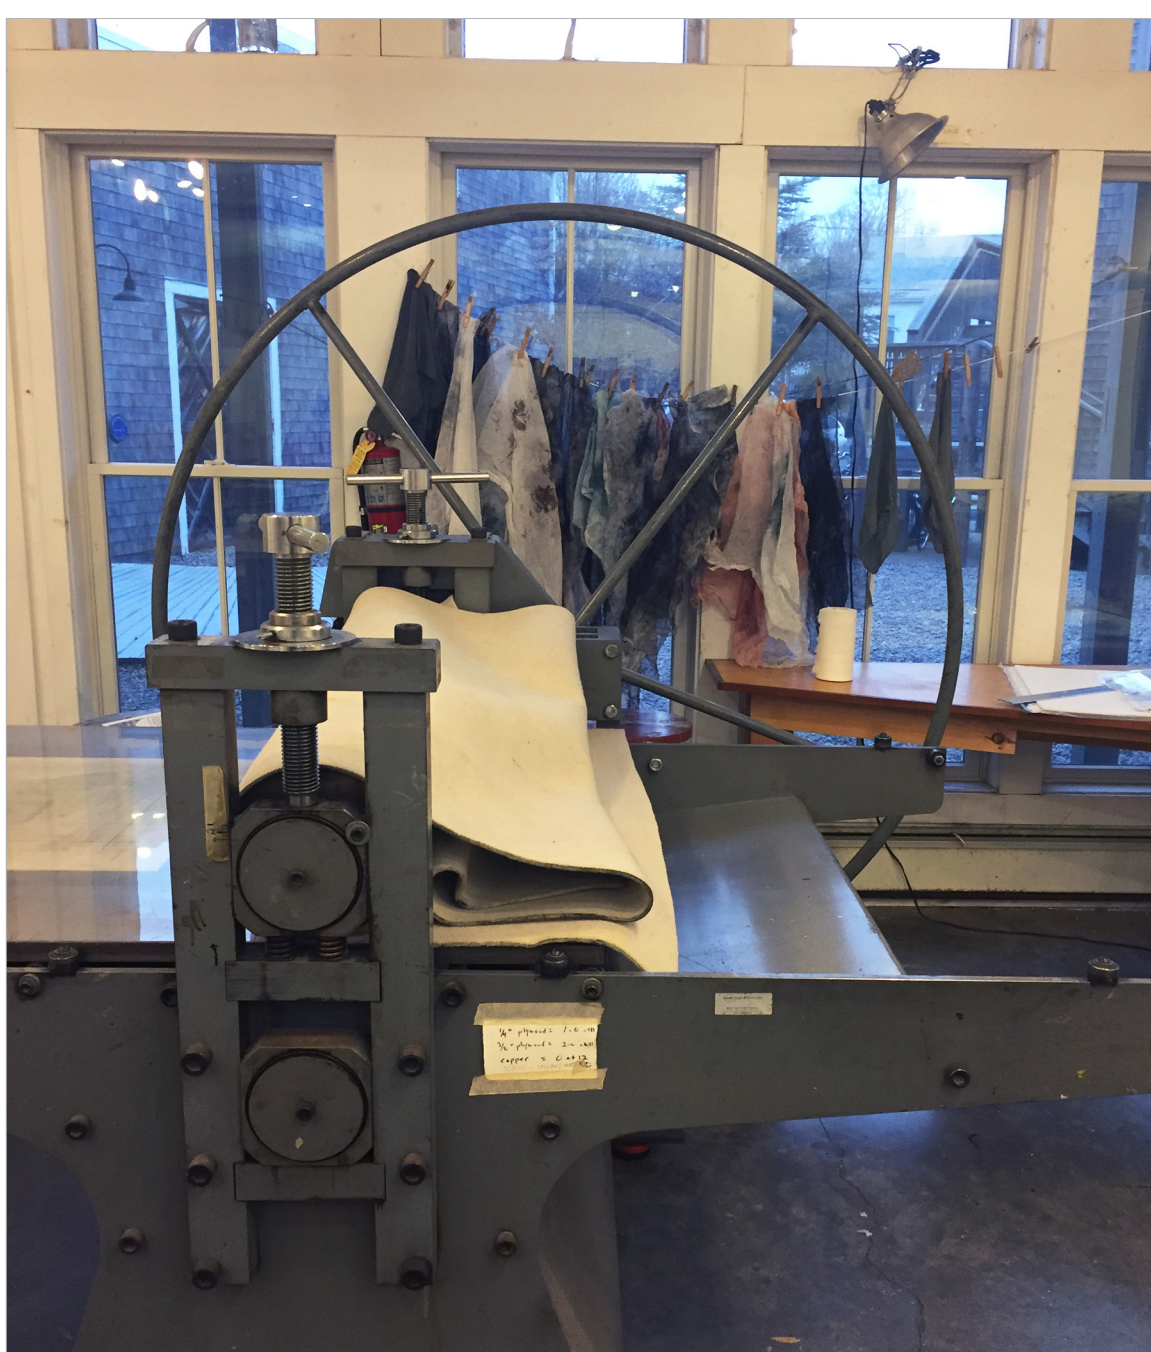

### FOR EXPERIENCED PRINTMAKERS

**Residents will have full, private use of the print shop with 24/7 access for \$925 a week.** Several slots are available beginning May 3. On-site housing is also available for **\$800 for the week.**

Proceeds from this promotion will be used to upgrade the **Michael Mazur Print Studio**, including replacement of its two largest sinks.

The studio is designed and equipped for work in monotype, etching, silkscreen, lithography, collagraph, and relief printing.

Facilities will be readied and maintained by Print Studio Manager, **VICKY TOMAYKO**, for the duration of the rental, but renters will be expected to leave the shop and equipment as found.
