A GATHERING TO CELEBRATE AND REMEMBER

RICHARD MCCANN

Friday, March 12, 6PM EST
Hosted by Marie Howe, Nick Flynn & Michael Klein

Please join us on Zoom as we remember our beloved friend and teacher.

We welcome you to speak or simply listen—whichever you choose, we will benefit from your presence.

If you would like to read something of Richard’s or something you have written, or if you want to tell a story or speak of him, you will have an opportunity to sign up in the chat area during the call. We will ask folks to speak in the order that they signed up.

We ask you please keep your remarks to three minutes so that everyone who wishes may have a chance to speak.

We look forward to seeing all of you then.
