**Summer Workshops 2023**

**Paul Bowen**

**June 18 - June 24**

## **MATERIALS LIST**

- A variety of papers to draw on - I recommend medium to small size sketch books, drawing boards and clips if you bring larger paper
- A selection of inks, dip pens - bamboo pens are especially nice
- Charcoal
- Graphite sticks or pencils
- Eraser

I suggest bringing a small folding beach chair, sunscreen and hat, and insect repellent, and wearing older clothes and shoes suitable for beach walking.
