#### MATERIALS LIST

The \$75 materials fee for the class covers printing inks and some Rives BFK paper. You will receive 10 sheets of 22"x30" white BFK Rives Rives, 280 gsm. More BFK is available for purchase at \$5 a sheet.

Screens are available for use while you are in class. If you wish to create screens with images to take with you, you will need to supply those screens.

You should bring any other paper, fabric, or material you wish to print on.

If you want colored papers try French Paper Company. They have a wide selection of papers suitable for screen printing. 100# paper or heavier is best (will not wrinkle)! They will ship anywhere.

Smooth fabric is best if you are interested in working on cloth... shirts, bags, and patches etc.
