

Summer Workshop Materials List

Kitchen Sink Casting with Megan Biddle

August 16 - 21, 2026

Required Materials

Most of the basic supplies for this class will be provided. Please bring the following:

- Objects and or textures that you are interested in working with. Not everything will be suitable for this process so if possible, bring a few options.
- Sketch book or notebook
- Dust mask and safety glasses
- 1 lb Soft sulfur free plasticine or water based clay
<https://www.dickblick.com/items/pepy-plasticine-mineral-based-clay-white-2-lb/>
- 3-5 chip brushes (1/2" to 1")
- If you already own, please bring a few miscellaneous clay tools
